Introducing Harbour House

It's intimate. It's iconic. It's indescribable.

It's Harbour House.

Inspired by Naples' unmatched coastal lifestyle, Harbour House stands as the crown jewel of Gulf Shore Boulevard. This is modern coastal design elevated to its highest expression. At Harbour House, everything begins at the water's edge.

Culture, Charm and Coastal Beauty

Celebrated for its white-sand beaches, world-class dining and vibrant cultural scene, Naples consistently ranks among America's most desirable places to live.

This Southwest Florida paradise offers a rare balance of natural beauty and refined sophistication, pairing golden Gulf sunsets and a temperate climate with an abundance of activities and attractions. From championship golf and watersports to boutique shopping and fine dining, Naples, Florida is the place where luxury and leisure flow seamlessly together.

Welcome Home

On the shores of Naples' Miracle Mile, Harbour House is creating a legacy that will celebrate timeless elegance and coastal design. Located directly on bay waters, this elite enclave presents a rare opportunity to own one of the city's most iconic waterfront addresses.

Harbour House boasts just 14 residences, each thoughtfully designed to reflect custom-estate sophistication. These villa-style homes feature private outdoor garden retreats with individual pools or spas, and easy accessibility through exclusive-use garages and elevators.

Harbour House is home to amenities including a bayfront pool, overwater deck and lounge and opportunities to own boat slips with direct Gulf access. Owners will revel in their ability to bring beach and waterfront living closer than ever, creating a lifestyle that is as serene as it is vibrant. Directly across the street from Lowdermilk Park and its beaches, Harbour House is just minutes from Fifth Avenue South, offering the rare combination of downtown's sights and sounds alongside the Gulf's tranquility.
